

U.S. COAST GUARD AUXILIARY
District Eleven North Region
MONTHLY REPORT - August

To: Dean McFarren, Commodore

Aug 5th, 2021

Curtis Han, Chief of Staff

Cc: District Board and Staff

From: Ricardo Moreno, Interpreter Corps Program Coordinator

Activities:

- I participated in discussions with the National Directorate about news ways to engage Interpreters
- With the cancellation of NACON, the National Staff is looking into new ways to connect with the Districts, as we had key sessions planned for the conference.

Once again, I ask Division leadership's help to spread the word about the Interpreter program. I'd be delighted to come to a Division or Flotilla meeting and do a presentation about the Interpreter corps. We can keep it short and sweet: about 10 minutes + Q&A.

GOALS AND OBJECTIVES:

2021 Goals:

From the Auxiliary 2020-2026 Strategic Plan:

"Expand Auxiliary Interpreter Corps augmentation - Accurately meet the interpreter and translation needs of the Coast Guard Director of International Affairs and Foreign Policy Coast Guard with qualified Auxiliary interpreters."

D11N Goals:

- Double the number of Interpreter and International affair mission hours in 2021, to a total of 75 hours
- Recruit and certify new Interpreters (revised)
 - Have 40 certified Interpreters in our District (currently we have 36)
- Educate 10 Auxiliary Units about the Interpreter Corps capabilities and engagement model
- Educate 10 USCG units about the Interpreter Corps capabilities and engagement model, directly or through the local Auxiliary units

Stretch Goal – Establish a communication cadence with Interpreter Corps National Staff
