Subj: September 2021 D11NR DSO-PE Report

Status of the Instructor Corps

As of 09SEP, we have **168 active (certified) instructors** (+5 from last month) and **31 instructors in REWK status** (-3 from last month). This means 84% of our instructors are in active status (+1% from last month).

We continue to work with the instructors, SO-PEs, FSO-PEs, FSO-ISs, and SO-ISs to get our instructors to complete the workshop and to get those workshops recorded in AuxData. In reaching out to instructors, we have had some decide to archive their instructor qualification.

Instructor Development Course

Our district had four(!) participants in the remote, national, NACON-replacement “train-the-trainer” course on how to teach the Instructor Development Course to qualify new instructors. We’ll be announcing some remote IDC classes soon and will work with DSO-MT to get those on the district training calendar.
