## **District 11N DSO-PV Report for August 2021**

We are just not getting the number of visits that was expected. COVID definitely is still impacting the ability to get out but reporting may be part of it too. Division commanders, could you please have your Vice work with your SO-PV to encourage your PV members to report their visits? Those can be reported via the old form a7046 or in AD2 activities.

Please encourage your members to become a Program Visitor, we really cannot have too many. There is a link to the PV manual at the end of this report. The test is 'open book' and done via the testing center. Links to all things Program Visits can be found at the end of this report.

Century Club Members Nikolay Zherebnenkov is our newest program visitor to complete 100-plus visits. Welcome to this way cool club.

**Our Goal for this year 2021 for the Marine Visit is to increase the marine visits by 2% from 2019 (see the stats chart) since 2020 was a COVID-19 bust.**
