Activity at Sector San Francisco

- Attended SLT meetings on Thursdays at YBI and will continue to do so.
- Met with CG Prevention Chief, DSO-MS, ADSO-MS/ADV, AUXLO Kenney, and two Prevention LCDR's to cover all Marine Safety programs and issues that D11N Aux are involved with.
- Attended All Hands meeting, where ADM Penoyer presented formal and informal awards to Coast Guard and Auxiliary members involved with Fleet Week planning and other activities.
- Holiday schedules for the COW's being held throughout the District are being completed.. The Sector Command is planning to attend all COW they are able to do. They encourage the AUXLO'S and CG Unit Leaders to do so as well. Hopefully, Flotilla's and Divisions will included the Units they work with .
- Schedules for Christmas Lighted Boat Parades are coming up next.
