**HIGHLIGHTS/"3 UPS":**

1. We have been asked to help with the Change of Command for the Cutter Pike at Station San Francisco. Currently we have 3 or 4 members who have volunteered to help.
2. It is great to have Coast Guard Island open, I have most of the AuxFS equipment in my garage.

**DETAILS:**

1. We will be helping with whatever is needed for the Change of Command.
2. We have been waiting over a year for Coast Guard Island to open up. We organized a Retirement for Sector San Francisco the day before the Island was shut down to Auxiliary. I have been storing all the equipment in my garage, it will be great to get it back to Coast Guard Island and organized.

**PROJECTS:**

1. When we get the equipment back to Coast Guard Island, we will reorganize the storage unit and the trailer.

**CHALLENGES/OBSTACLES/OPPORTUNITIES:**

1. Awaiting a new SOP (Standard Operating Procedure) for Food Service. Lots of changes. Due out 5/20/2021 which did not happen. We know that the AuxFS name will change to CA-1 or 2 (Culinary Assistant). We will get a new logo and a medal for our uniform. Although, AuxDATA II will not have this name for our time. We will also have a mandatory 12 hour requirement to maintain our qualification.

**GOALS AND OBJECTIVES:**

1. Looking forward to getting back to work.

**PHOTO GALLERY:**

2. Hopefully next month we will have some new photos.
