Great news - The AUXPA-12 organizers and staff are expecting that there will be a number of opportunities to hold AUX-12 classes in 2022. So, keep a close lookout for what is coming. In the meantime, everyone is encouraged to make use of the great online resources to research and review the Coast Guard and the Auxiliary Public Affairs policies and procedures.

And, if you, or anyone you know is interested in Public Affairs Staff Officer training and a PA staff officer assignment you should work on completing AUX 20, 22, 23, 26, and the ICS 100 programs online. Do keep in mind that the current directive from the National staff does require all menders attending C-School programs to be vaccinated for COVID.

As always, those Members who do attend the AUX-12 program are fully expected to complete, Asa minimum, the PA 3 Specialist certification program within one (1) year of competing the AUX-12 program.
