Progress of NASBLA Renewal for BA and BS&S

The national staff is working on renewing the NASBLA certification for Boat America and then will work on renewing the certification for Boating Skills & Seamanship. In the meantime, California has provisionally extended its approval of both BA and BS&S through June 30, 2024.

When final approval is given, all instructors will need to download the newly approved versions of the PowerPoint presentations and use only the new slides going forward.

Boat America Answer Keys

Boat America now comes with two forms of national test – Test A and Test B. The answer key for both tests is the same, and is the same as the previous BA test. However, answer keys are no longer automatically included with an order of BA materials. So if you are offering BA and do not have an answer key, just include a request for one with your order and you will receive one.
